**Homicide Task Force Investigating Two Murders in Trenton**

**TRENTON** – The Mercer County Homicide Task Force is investigating two homicides that occurred late Wednesday evening in the city. At this early stage, both homicides appear to be the result of robbery attempts. There is no evidence to indicate that the homicides are related.

At approximately 9:40 p.m. on July 30, Trenton police officers were dispatched to the area of Hoffman and Rosemont avenues after numerous calls were received regarding shots fired and a man shot. Upon arrival, officers located the victim, later identified as Tyshawn Goodman (DOB 11.9.88) of Pennington Avenue, Trenton, lying on the corner of Hoffman and Rosemont suffering from multiple gunshot wounds. Goodman was transported to Capital Health Regional Medical Center where he was pronounced dead. A second victim, a 20-year-old Trenton man, arrived at Capital Health Regional Medical Center via private vehicle suffering from gunshot wounds to the chest and both feet. He is currently in stable condition.

Preliminary investigation indicates the men were in a vehicle headed to a house in the 200 block of Rosemont Avenue. As they exited the vehicle, they were approached by three black males who attempted to rob them at gunpoint.

In the second incident, Trenton police officers were dispatched to 18-20 North Broad Street at approximately 10:20 p.m. on a report of a man shot. Upon arrival, officers located the victim, later identified as George Jamison (DOB 6.14.71) of South Main Street, Pennington, suffering from a single gunshot wound to the back. Jamison was transported to Capital Health Regional Medical Center where he was pronounced dead. Preliminary investigation indicates that Jamison was sitting on a bus stop bench when a single black male attempted to rob him at gunpoint. The suspect was observed bicycling away from the scene toward East Hanover Street.

Anyone with information on either case is asked to the homicide task force at (609) 989-6406 or the Trenton police confidential tip line at (609) 989-3663.
