### THE TRENTON POLICE DEPARTMENT ANNOUNCES TWO-YEAR, MULTI-AGENCY, NARCOTICS INVESTIGATION RESULTING IN NUMEROUS ARRESTS AND THE SEIZURE OF OVER \$1,300,000.00 IN NARCOTICS

TRENTON: The Trenton Police Department, in cooperation with the Drug Enforcement Administration (Camden and Patterson offices), the Bureau of Alcohol Tobacco, Firearms and Explosives, the Federal Bureau of Investigation, Homeland Security Investigations and the Mercer County Narcotics Task Force, began an investigation involving the illegal manufacturing and distribution of narcotics within the city of Trenton approximately two years ago. The investigation was initiated as the result of anonymous citizens complaints received by the Police Director's Office in regard to a drug trafficking organization led by Bobby Williams. The organization consisted of multiple members of the Sex, Money and Murder (SMM) Set of the nationwide BLOODS criminal street gang and has been responsible for distributing multi-kilogram quantities of cocaine and heroin since the mid 2000s, while utilizing violence and intimidation to protect and enhance their activities. The organization supplied drugs and weapons to smaller drug trafficking organizations in the Central New Jersey and Northeastern PA areas, but, more importantly, has been one of the most violent and significant organizations operating in the Trenton area for years.

To date this investigation has resulted in:

- More than 60 arrests

- Approximately \$25,000 in currency

- Five vehicles seized

- The seizure of 2.8 kilograms of heroin (street value over \$1,000,000.00)

- The seizure of 2.3 kilograms of cocaine (street value of \$230,000.00)

- The seizure of 1 kilogram of crack cocaine (street value approx \$100,000)

- The seizure of two weapons

This lengthy investigation was worth the undertaking due to the positive impact it will have on crime in this city. As this administration has previously stated, "We will not tolerate lawlessness"."

Acting Mercer County Prosecutor Angelo J. Onofri stated "This was a massive investigative undertaking involving federal, state, county and local police agencies across New Jersey and Pennsylvania. It represents the remarkable good that can be accomplished when all levels of law enforcement join together to work as a team. An investigation of this scope and magnitude would never have been possible without the manpower, resources and cooperation of all of the agencies involved."

Carl J. Kotowski, Special Agent in Charge for the Drug Enforcement Administration's New Jersey Division said, "The DEA is committed to pursue these people who continue to violate the law. We will work with our law

enforcement partners to make sure those pushing poison are taken off the street."
